French or Spanish? You decide!

We are looking to promote the teaching of modern foreign languages here at Northern Saints. We currently teach French, but we are aware that many of our families visit Spanish speaking countries on their holidays. Therefore, we are wondering if learning Spanish instead of French would be more beneficial to our pupils. Have your say! Please circle the language of your choice and return the slip to school.

'Merci' or is it 'Gracias?'

French

Spanish
