

Dear Parent,

I would like to thank you for the commitment you have shown to our Cricket Academy Talent ID programme and very much hope you and your son/daughter enjoyed the coaching we provided over the Summer term.

I am now in a position to confirm that the forthcoming Cricket Academy Talent ID sessions will take place on the dates below, starting on **Thursday 10th October**.

Transport will be the same as in the Summer term, we will collect your child from their school and you will be required to collect your child from our Community Centre, here at Castle View Enterprise Academy.

Parents are most welcome to observe training sessions. Please ensure that your child wears the Castle View Talent ID training T shirt or school P.E shirt, suitable pants or shorts and trainers. Please confirm your attendance to the above by contacting your child's primary school and notifying the relevant staff. These sessions will be the last ones for your child. If you would like to discuss any information regarding cricket beyond these sessions, or your child's future plans in education, then please speak to any of the coaches, or call me at Castle View Enterprise Academy at any time.

Yours sincerely,

Mr C Rainbow
HOY 7 & Cricket Academy Talent ID lead.
