

Dear Parents and Carers,

We look forward to welcoming back all our pupils on Monday. Please check the revised times, doors and expectations previously shared.

Parent Consultation

Your child's class teacher will be in touch with you before the end of term to review progress. This will also be an opportunity for you to tell them how well they have managed during lockdown - to celebrate successes and share any concerns. These will once again take place by 'phone.

Asymptomatic testing information for parents and adults in households with children at school or college

NHS Test and Trace announced earlier this week, that all adults in households with school and college age children without symptoms can now access regular rapid coronavirus (COVID-19) testing.

Testing kits are available for families, either:

- through your employer, if they offer testing to employees
- by collecting a home test kit from a local test site – anyone aged 18 or over can collect 2 packs of 7 tests
- by ordering a home test kit online

Please follow this link for parents and carers:

[Rapid lateral flow testing for households and bubbles of school pupils and staff - GOV.UK](https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff)

About 1 in 3 people with coronavirus do not have symptoms but can still pass it on to others. Regular testing of people without symptoms is important to help stop the virus spreading and protect ...

www.gov.uk

This explains how to get a rapid flow test to take at home, twice weekly.

Testing is voluntary, but strongly recommended to all who are eligible.

This information will also be emailed directly to all parents. Have a great weekend everyone!

Yours sincerely

Mr J A Jones
